Dear friends,

The Swedish Ju-Jitsu Federation welcomes you to

the 2018 WORLD CHAMPIONSHIPS

Our federation is very proud to host for the second time a Ju-Jitsu World Championships in Malmö.

We welcome everyone for a weekend of sports, assemblies and technical meetings. We hope that you will also take your time to discover Malmö and enjoy our lovely city.

Good luck to all delegations! We hope you will have a wonderful time in Sweden!

Welcome to Malmö!

Michael Kuntz
Head of Organizing Committee

Dear sport friends!

It gives me a great pleasure to welcome you all again in Malmö , Sweden, at the World Championship for Seniors. Every big event, like the World Championship, is an opportunity for meeting friends, making new friendships, but also for practicing not only what we have trained for, but also values and principles our sport and our organizations are believing in, such as clean sport, fair play and ethics, already known to the ancient samurais.

After ten months from the last championship with the upcoming youth in Abu Dhabi, the United Emirates, we meet again, this time for the Senior generation of athletes in DUO, Fighting and Ju-Jitsu.

I would especially like to thank Swedish Federation for accepting this big challenge – their organizational skills have been tested, but also proven on many occasions. That being said, I would also like to mention that an event like this cannot be organized without a support of local organizations, local community, sponsors and, of course, many volunteers. Without them, we could not have successful organization and, therefore, I am using this opportunity also to thank them for their time, assistance and support for the organization.

Dear friends, athletes, coaches, referees, parents, supporters! Thank you all for being a part of ju-jitsu. I wish you all have a great time in Malmö.

And for those who will be in the center of attention and action, the athletes, I wish to stress again our wishes for good performance, good results and, beyond all, our wish that you remain ambassadors of skills, knowledge, fair play and the spirit of ju-jitsu. You are the reason we are here!
